**BrownTrout : Yoga Dogs 2017 Square** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Yoga Dogs 2017 Square:

Each month is a different dog in a different yoga pose with a funny caption. See thumbnail pics of each month. 0 of 0 people found the following review helpful. Hilarious Calendar! By Jane Austen Wannabe This is one of my favorite calendars. I don't know how they get the dogs into these ridiculous poses (I certainly can't master them myself), but who cares? This calendar makes me chuckle every time I look at it. It also makes a great gift. (If you have a passion for cats as well as dogs, there's also a "Yoga Cats" that I can heartily recommend for the same reasons). 0 of 0 people found the following review helpful. Yoga Dogs By McBail I buy this calendar each year. It starts my day with a smile!

This wall calendar gives new meaning to Downward Facing Dog. The Yoga Dogs calendar features a year of digitally reworked images showing endearing dogs positioned in classic yoga postures. These reworked canine portraits will

bend your mind and delight you. The time is here to laugh and be inspired. Play, Bark...Breathe. Nama-Sit. Nama-Stay.
