Drop your axe. Lower your sword. And open the ultimate, must-have book for gamers of all ages! The Diggy Diggy Book includes the best (and worst) jokes from the massively successful YouTube creators. Meet the Yogscast, see exclusive look inside YogTowers, become a JaffaQuest cadet, read the tourists guide to Datlof and more, so much more that we don't want to give away. (Yet!) If you've ever watched a Minecraft YouTube video, chances are you know who The Yogscast is. This is THE book for you.
