Leland Gregory : You Betcha!: The Witless Wisdom of Sarah Palin before purchasing it in order to gage whether or not it would be worth my time, and all praised You Betcha!: The Witless Wisdom of Sarah Palin:

5 of 5 people found the following review helpful. She's the (unintentional) gift that keeps on giving!By wfmAh, Sarah Palin..... the answer to the question "who is the all time worst candidate for vice president?" So many idiotic statements (my favorite was her written answer to the "Under God" in the pledge!" Running for governor of an entire state and she doesn't know a thing about American history or politics! I've always given top marks to Michelle Bachman as the biggest fool in women's politics, but in this collection of mis-statements and outright idiocy Sarah is nudging her for top honors.Hopefully there will be a follow-up volume..... she MUST have said a few (hundred)

more like these since publication. 12 of 12 people found the following review helpful. short but funnyBy ellen foster
With this book, I finally figured out what Sarah really said and what was made up and what was Tina Fey. Thank God she didn't win. She actually said some of the stupider things. It was scarier than I thought. 25 of 27 people found the following review helpful. Lovely package, not much else.
By I. Finn
I was both amused and incredulous over the quotes Palin has made, during the course of McCain's botched campaign and beyond. Most of what's in this book are quotes and time and place where the statements were made. There isn't really much to critique Leland Gregory on. I'm truly amazed that a seasoned politician such as John McCain, someone I admire for service to country, (Keating scandal aside) would select someone so clearly unqualified as his running mate. Her down-home, folksy manner plays well at first, people were charmed by it, but the lack of substance eventually came through, and it didn't take long for people to realize that she was a nicely packaged dim bulb. Her lack of knowledge is quite evident in these often hilarious quotes. Some are funny because she intended them to be, others are hilarious because she was trying to make a serious point, but was over her head on the subject matter. If you can't dazzle them with brilliance, than you baffle them with, well... you know what I mean. She does that well, much to the public's amusement. If you feel she is an unqualified candidate for anything, you'll find this book to confirm that. If you are a fan and find her to be charming, you'll probably find that, too. Enjoyable read no matter how you see her.

A hilarious collection of the stubbornly ignorant and shockingly ludicrous remarks made by former Alaskan governor and 2008 Vice Presidential candidate Sarah Palin compiled by New York Times best-selling author Leland Gregory. Includes BW photographs.
Alaskan governor Sarah Palin launched onto the national political scene in 2008 when she was unexpectedly chosen as John McCain's running mate. Soon after, her oratory foibles, shaky stance on political policy, and ignorance of national/world affairs became priceless fodder for journalists and comedians. Now New York Times best-selling human stupidity historian Leland Gregory sets his sights on everyone's favorite rogue hockey-mom in *You Betcha! The Witless Wisdom of Sarah Palin*. Whether she's bagging on the President at a Tea Party, waging war on Family Guy, or slandering Bristol's ex-beau, one thing's for certain--Sarah Palin loves to be heard. Gregory has hunted down Palin's most cringe-worthy comments, including excerpts from the infamous Katie Couric interview, her acceptance speech at the Republican National Convention, and sketchy explanations for her resignation as governor. Death panels, helicopter moose hunting, and all of her magic maverick moments are included in this anthology of photos, quotes, and anecdotal material that is sure to keep readers laughing so hard they'll want to cry.

About the Author?
The jokes, wacky anecdotes, and inane quotes in Leland Gregory's Stupid-themed anthologies showcase the best of human nature at its worst. Through his Twitter handle of @ChronicStupid, Leland shares headlines, quips, and unbelievable feats of folly culled from print, online, and broadcast media around the globe. He has authored more than a dozen humor titles, including *What's the Number for 911?* and the New York Times best-sellers *Stupid American History* and *America's Dumbest Criminals*. A tireless promoter, he has made hundreds of radio and television appearances, including multiple appearances on NBC's Today show.
