Ed Fischer is a cartoonist syndicated throughout the Upper Midwest. Here, he lends his perspective on what it means to be a Minnesotan. Clever cartoons portray the stamina, fortitude and practical nature of residents of the Land of 10,000 Lakes. You'll laugh as you relate to the outrageously funny observations about life in Minnesota.

About the AuthorEd Fischer is originally from Minneapolis where he began his cartoon career. His cartoons have been published in Time and Newsweek as well as many textbooks and newsletters.
