**Jeff Hendricks : You Might Be A Frustrated Landlord If...: Even More Ways (Book Three)** before purchasing it in order to gage whether or not it would be worth my time, and all praised You Might Be A Frustrated Landlord If...: Even More Ways (Book Three):

author on NPR I was excited to order the book. I thought it would have more text and more indepth stories but it was really a book of quick cartoons. The author had some great stories to tell and I wanted to hear more of those stories.

This series of hilarious, illustrated books was compiled by Jeff Hendricks, a frustrated landlord who retired from real estate after twenty years of renting some 140 units to about 900 families. He walked away with the need to relieve stress from all of his frustratingly funny rental mishaps. Whether or not you are or have ever been a renter or landlord, you can join in and raise an eyebrow at the outrageous situations, lies, and excuses documented in *You Might Be a Frustrated Landlord if . . .*
