It's little more than a collection of a few cheesy one liners and quotes. It's the size of a postcard with about 30 pages. Here's an example:"You Might Be A Metalhead If Highway to Hell Was Your Wedding song". Save your money. wait for it to be in the bargain bin for \$5. Feel like I got ripped off.I would expect more from a guy who talks about how as fans we deserve more from people we support.0 of 0 people found the following review helpful. A humorous take on the world of hard rock and heavy metal by comedian and co-host Don Jamieson of That Metal Show and fellow comedian and metal head, Joe Bartnick. Metalheads everywhere will laugh their bullet belts off!
