**Fischer : You're No Spring Chicken** before purchasing it in order to gage whether or not it would be worth my time, and all praised You're No Spring Chicken:

Join syndicated cartoonist Ed Fischer and many of the world's greatest authors, comedians and politicians as they take a comical and sometimes whimsical look at life's golden years. As more over-50s discover they have developed a keen sense of humour from a lifetime of hard and soft knocks, they will find this book's cartoons, quotations and anecdotes genuinely funny. From achy joints to pension planning, and from the maladies of ageing to nostalgia for the past, getting older will be a little easier after reading this book.
