**Dr. Seuss : You're Only Old Once!: A Book for Obsolete Children** before purchasing it in order to gage whether or not it would be worth my time, and all praised You're Only Old Once!: A Book for Obsolete Children:

0 of 0 people found the following review helpful. Fun book for oldsters and youngsters! By PenguinMom Great gift for young and old! Both adults and kids love reading this book, but it is especially fun for those of us in the grandparent age, with lots of doctor appointments as a regular part of life. 1 of 1 people found the following review helpful. Four Stars By Don Grieser enjoyed by young and old 0 of 0 people found the following review helpful. Seuss for us By Maria P Gates If you think you've outgrown Dr. Seuss, think again. If you think old age is approaching, you need this book! If you think you've already hit old age, this book is for you.

With his unmistakable rhymes and signature illustration style, Dr. Seuss creates a classic picture-book ode to aging in

You're Only Old Once! On a visit to "the Golden Years Clinic on Century Square for Spleen Readjustment and Muffler Repair," readers will laugh with familiar horror at the poking and prodding and testing and ogling that go hand in hand with the dreaded appellation of "senior citizen." Though Dr. Seuss is known for his peerless work in books for children, this comical look at what it's like to get older is ideal for Seuss fans of advanced years. In his own words, this is "a book for obsolete children." A perfect gift for retirement, birthdays, and holidays!

.com Subtitled A Book for Obsolete Children, this unusual item in the Seuss canon doesn't really belong among the children's books. Written to celebrate the nonsense master's 82nd birthday, it follows "you" (an elderly gent in a suit and white moustache) through a physical check-up in some fiendish geriatric clinic. You are measured, prodded, and subjected to all the medical indignities familiar and unfamiliar to the elderly. "You must see Dr. Pollen, our Allergy Whiz, who knows every snuffle and itch that there is... He will check your reactions to thumbtacks and glue, catcher's mitts, leaf mould, and cardigans too. Nasturtiums and marble cake, white and blue chalks, anthracite coal and the feathers of hawks." It's clear that the process is going to be long, but much shorter than the bill. The blurb on the back says it all: "Is this a children's book? Well... not immediately. You buy a copy for your child now and you give it to him on his 70th birthday." Actually, it would make an amusing gift for anyone over 40. --Richard Farr

From the Inside Flap

Dr. Seuss lightens the aches and pains of growing old with his inimitable wit and wisdom. In this new defense against aging, we follow our hapless hero through his checkup with the experts at the Golden Years Clinic.

About the Author

THEODOR SEUSS GEISEL—aka Dr. Seuss—is one of the most beloved children's book authors of all time. From *The Cat in the Hat* to *Oh, the Places You'll Go!*, his iconic characters, stories, and art style have been a lasting influence on generations of children and adults. The books he wrote and illustrated under the name Dr. Seuss (and others that he wrote but did not illustrate, including some under the pseudonyms Theo. LeSieg and Rosetta Stone) have been translated into thirty languages. Hundreds of millions of copies have found their way into homes and hearts around the world. Dr. Seuss's long list of awards includes Caldecott Honors for *McElligot's Pool*, *If I Ran the Zoo*, and *Bartholomew and the Oobleck*, the Pulitzer Prize, and eight honorary doctorates. Works based on his original stories have won three Oscars, three Emmys, three Grammys, and a Peabody.
