Randy Glasbergen : Your Computer Thinks You're an Idiot! before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Computer Thinks You're an Idiot!:

0 of 0 people found the following review helpful. Gentle fun about computers. By HoosierNan Randy Glasbergen is one of my favorite cartoonists. I have his "Today's Cartoon" set up as my home page on my computer, so that I get a laugh every day. I gave this book as Christmas presents. Fun, gentle humor about people and their attempts to deal with technology.
