Could of been shorter story or punchlines. Too long to absorb.5 of 7 people found the following review helpful. A Laugh a minute from Cyber-JokesBy A CustomerThis collection of jokes all actually sent over e-mail at one time or another is a truly hilarious compendium of humor--the musician jokes are side-splittingly funny. This book is a great gift for all your cyber-pals!1 of 3 people found the following review helpful. There must be a better internet joke bookBy A CustomerI have read this book, and it is funny but there could be more done in this category. I hope that I eventually find a good internet joke book.

Did you hear the one about the priest, the rabbi, the traveling salesman, and his modem? If you've spent any time at all in cyberspace, you probably have. E-mail has become a marvelously subversive way of using common office technology to spread hilarity and this mouse-tickling compendium is the first to truly sample the wacky world of digital humor.
