**Joel Grus : Your Religion Is False** before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Religion Is False:

The most important book ever written! Whether you're a Christian or a Jew, a Muslim or a Hindu, a Rasta or a Jain, an Environmentalist or a Cheondoist, a Scientologist or a Giant Stone Head Worshipper, your religion is false. In this

long-awaited book, Joel Grus reveals the details of not only how your religion is false but also how every other religion is false. When you want to know what not to believe, this is the only book you need. In addition, you'll learn

- \* Why "god" doesn't exist
- \* Why there's no such thing as a "soul"
- \* How to find "meaning" in a religion-less world
- \* Which of your religious heroes are pedophiles
- \* Why "religious tolerance" is a terrible idea

And, as a bonus, the greatest religious joke ever told. You can't afford not to read this book!
