**Evelyn Loeb : Yule Always Be My Friend (Mini Books) (Pocket Gold)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Yule Always Be My Friend (Mini Books) (Pocket Gold):

acquaintances. Like it the product description says, it is a pocket book and therefore is very small, small enough to put in my pocket. Everything in the book is a play on the words. It uses 'Yule' in place of 'you will'. For example "Yule always make loneliness a distant memory" and "If I have my wish, Yule grow old together with me". 2 of 3 people found the following review helpful. Yule Always Be My Friend By A Customer This is a sweet little book to give to a dear friend - it covers everything you would want to say in a clever, sweet way. I LOVED IT!

Friendship is one of life's best presents. Be a friend, and Yule make every day like Christmas. Charming pocket gift book with foil accents. 64-page hardcover pocket gift book with two-tone gold cover and full-color interior. Measures 3-14" wide x 5-3/8" high. Makes a great gift!
