**Carol Gardner, Shane Young : Zelda's Bloopers: The Good, the Bad, and the Whatever** before purchasing it in order to gage whether or not it would be worth my time, and all praised Zelda's Bloopers: The Good, the Bad, and the Whatever:

As Zelda says, "If you don't make mistakes, you don't make anything," and this book is full of them! The ever-wise Zelda lets loose in a fun-filled book of canine bloopers and, of course, more of her infinite wisdom. To err is human . . . but it feels divine," said the inimitable Mae West, and how right she was. Zelda's Bloopers: The Good, the Bad, and the Whatever offers up Zelda in some of her most irresistible moments. She truly has an uncanny ability to make lemonade out of the "lemons." In Zelda's Bloopers you can see Zelda as you've never seen her before-not quite picture-perfect. Even in her less glamorous moments, Zelda teaches us something about life: You can turn even your goof-ups into something great. Originally filed away as rejects, these photos are juxtaposed with the original, ready-for-publication pictures, with smart, sassy sayings that complement both images. Always a media favorite, Zelda has been featured in The New York Times and on Oprah, Good Morning America, The Today Show show.
