I gave it to my 64 year old sister who is a bulldog nut, and also has two grown daughters who now have families of their own. She said she got teary looking at this book, because it is so sweet, and it brought back good memories of her own years as a young mom.0 of 0 people found the following review helpful. Very cuteBy Noelle MacMy daughter loves it! We have a bully and she dresses ours up to, so she loves to compare them.0 of 0 people found the following review helpful. Sweet pictures, good coffee table, good for young and oldBy the\_studentThe pictures are large, simple, and bold. There are few words and the type is very large. This book is a great for coo-ing and ewwing and aaahing. Great mother's day picture.

Judging from the runaway hit the best-selling Zelda Wisdom series has become, it's clear that English bulldogs possess a mug that many more than just a mother could love. Now Zelda shares her wisdom on mothers in Zelda's Moments with Mom, a wonderful blend of humorous sentiment and four-legged fun.Zelda's Moments with Mom is the perfect keepsake for Mother's Day, birthdays, and special occasions, or anytime Mom deserves a special little thank-you. Carol Gardner and Shane Young have created the perfect tribute to moms, motherhood, and even a few famous mothers, like the Queen Mother and Mother Teresa, because "After all, motherhood and sainthood should be

synonymous. Zelda is joined by a pack of adorable little pups in a touching scrapbook-style collection designed to tell Mom just how important she is. As Zelda puts it: \* From the beginning you think you are in control. Yet, it's "Have buggy, let's boogey . . . baby in charge!" \* When a sibling arrives mothers have the tough job of being the impartial referees in "double-dog-dare-ya" disputes. \* Not only were you a great soccer mom, but you taught me that I'd always miss 100 percent of the goals I didn't try to kick. I'm still "kicking" whenever I see an opportunity. Zelda's Moments with Mom is sure to be a doggone winner with mothers everywhere.
