**Greg Stones : Zombies Hate Stuff** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Zombies Hate Stuff:

Zombies hate clowns. They also hate hippies, not to mention zip-lines, penguins, moon penguins, nudists, weddings, sharing, and kittens. They really hate unicorns, and strangely don't mind Canadians. Each ghoulishly colorful painting reveals a funny and unexpected scene of zombie disgruntlement, cataloging the stuff that really riles up the walking dead (astronauts, rain, bagpipes, re-gifting, and more) with wit, humor, and, of course, brains. *Zombies Hate Stuff* offers an unexpected and irresistible perspective on the zombie apocalypse and the pop culture phenomenon that will not die.
